

# Year 2 – Summer 2 Learning Journey

## Reading

This term we are following Sohal in the story 'The Worries' by Jion Sheibani. One night, Sohal draws a picture of everything that worries him but when he wakes up the next morning he finds his worries have come to life and want to go to school with him. We will find out what happens to Sohal and his worries.

We will be learning how to answer questions based on different texts using the Destination Reader – Ready Reader stems which include:

- Questioning,
- Inference,
- Predicting,
- Making Links.

We will also continue to work on our phonics knowledge in Read Write Inc lessons, to improve the fluency of reading.

## Maths

This term we are going to continue to work on our number skills and revisit areas to develop our maths learning.

Week 1 – Four Operations (context measure)

Week 2 – Four Operations (context money)

Week 3 – Fractions

Week 4 – Geometry – position and direction

Week 5 – Statistics

Week 6 – Bringing together this year's learning

## Writing

The children will start off by writing a story based on our key text. The story will be based on their worries escaping and the events that may follow.

The second piece of writing will be poetry based around the key text.

We will be mostly focussing on punctuation, feelings, actions, paragraphs and sentence structures.

We will also be focussing on developing a joined handwriting script, ensuring our letters are the correct sizes and shapes. We will also be making sure our writing is correctly punctuated.

## PE

In PE this term, the focus will be on Athletics. The children will be mastering basic movements including running, jumping, throwing and catching. Pupils will develop agility, coordination and begin to apply these in a range of activities.

## Science

We will be bringing all our Science knowledge together in the last term of this academic year. We will be revisiting the topics of 'Animals including humans' which we previously looked at in Spring 1 and 'Plants' which we covered in Summer 1. After planting our sunflower seeds in Summer 1, we will now enjoy having discussions with the children about the progress of their plants and the different stages of growth.

## Art & Design Technology

As part of our Art unit this term, we will be exploring the human form. In DT our focus will be on food looking at balanced diets.

## Geography

This term we will be looking at the physical and human geography in our local area. We will focus on using maps and aerial photographs of our local area to identify landmarks and different human and physical features.

## Computing

We will be exploring 'Stop Motion' in our unit this term. We will be creating story boards and simple animations using tablet devices or devices with cameras.

## Music

We will be developing our knowledge and understanding of timbre, dynamics, tempo and instruments. We will learn to compose our own music.

## Important Dates

## PSHE

In PSHE lessons we will looking at financial capability and anti-bullying.

## RE

In our RE lessons, we will be learning about the Islamic faith and their rites of passage and good work.
