

Message from the Headteacher

Dear Parent/Carer,

I hope you have had a wonderful summer and have spent some quality time with your child/ren. After the challenges of the last academic year, I think all of the staff and pupils were ready for a well-earned break.

It has been wonderful to welcome the children back into school. The last couple of days have been spent settling the children back into routines and developing those vital relationships to enhance the learning.

We will be launching into the curriculum next week. Teachers have been planning carefully to ensure there is a careful balance between delivering the curriculum and making sure the pupils catch up on lost learning from the previous year.

The staff have spent a lot of time planning activities and experiences to provide vital hooks into learning that link to the curriculum. We are really excited about the opportunities the children are going to experience.

We will be sending out information in relation to the pandemic and the lifting of restrictions. Guidance has changed and we are delighted to be lifting restrictions in school as it will benefit the pupils both academically and socially. We do have a contingency plan for if circumstances change and cases rise. As always, we will communicate updates with you regularly.

We are really looking forward to the year ahead and we look forward to welcoming parents and carers back into the school soon.

Mr Dobson
Headteacher

Reminder

We are a Nut Free School. Please ensure all food that is brought in to School, including snacks, does NOT contain nuts. We have a number of children who have a nut allergy in School who must not come in to contact with nuts. Thank you in advance for your support.

Please can you ensure that you do not provide your child with any 7 Days Croissant products in school within their packed lunches or for their snack. This is due to them all containing traces of nuts and alcohol. If any 7 Days Croissant products are brought into school, they will be confiscated and returned to parents at the end of the day. This is due to us being a nut free school and as some of our pupils have severe allergies.

School Dinner

Year 3 children are no longer entitled to Universal Free School Meals (FSM). Government funding for this stops at the end of Year 2. If you think you may be entitled to FSM then please come and speak to school office to complete the correct form.

Safety reminders

If you are a parent bringing your child to school on your bike, please can you follow the one-way system. Alternatively, can you come off your bike at the "No Entry" signs and walk towards the school.

Parents please make sure you are using the pedestrian entrances and not the car gate entrance. This is to ensure the safety of all children. We appreciate your cooperation with this.

Monday 06 September will be week 2 of the dinner menu.
